*Celebrating 22 years as a Women Owned & Managed Company*

Pictographics has become a total-solutions provider for graphics used at Exhibit & Trade Show large and small. We have done scores of shows locally, nationally, and internationally including, New York, Orlando, New Orleans, Paris, London, Hannover, and Munich.

Pictographics is a Total Solution Exhibit & Trade Show graphics shop.

- ✓ **PLANNING** | Often participate with clients or their agency early in the planning process to provide client with the latest options in visual solutions.
- ✓ **DESIGN** | Have degreed designers on staff with extensive experience with exhibit graphic design to work with client or agency designers or create original designs.
- ✓ **PRINT** | Use only state-of-the-art printers with extremely high resolution, bright, vibrant, and expanded gamut colors. Provide the widest range of media options.
- ✓ **INSTALL** | Have staff certified installer team.

*Below is a partial list of the types of Pictographics event products:*

- Printed Fabric Photo Backdrops & Drapes
- Fabric Tension Wall Structures
- Branding, Informational, & Directional Sign-age
